

To All Ushers:

2010

Dear Friends,  
Happy 2010!! Here's our 2010 usher's schedule. Please note the months your team is ushering.

Several items for this year:

Seating People:

The congregation responds positively to being escorted to their pew. This is a practice we should continue and even try to grow. It also provides an opportunity to identify visitors to St. Johns.

Name Tags:

Please continue to encourage folks to wear their name tags. This helps everyone to get to know each other better. don't forget to wear your tag too.

The Usher's Fund:

In 2007 we revived the Usher's Fund. This voluntary fund is used for memorial gifts or other donations from the ushers as a group. We again ask that everyone contribute \$5.00 per person for the year. Please give it to your team captain and they'll pass it along to Phil.

New Members:

Several of our teams are a bit short handed. If you know of anyone who would be interested in being an usher, please ask them or give their name to Mike, Mike or Bob and we'll contact them.

If there are any questions or comments, please see Mike, Mike Bob or Phil.
