

## **“Down But Not Out”**

**At times we are down, but not out.  
Faith & hope is what we are about.  
Some days are tough, at times we are down.  
A new tomorrow, hardly a frown.**

**Forward, ahead always the way to look.  
Print that clearly in life's up look book.  
Happy we are to people we know of trust;  
Looking up, not down remains a must.**

**“Our hopes are built on nothing less  
Than Jesus love & righteousness”  
Hymn words to remember day after day,  
Be the month March, April or May.**

**Look ahead: pray to God, daily do;  
Not down, not away, ahead we view.  
Believing tomorrow to be a better day,  
We deepen our faith each time we pray.**
