

Statement of Philosophy

St. John's Preschool considers the total needs of three, four and five year old children.

Our program is based on the following areas of growth: spiritual, physical, social, intellectual, and emotional.

Activities are planned by the teacher to encourage growth in all areas.

Our Christian environment is considered an essential factor in developing a child's sense of self-worth and total development.

Please feel free to call with questions or set up a time to come and visit our school.

Lunch

This program gives the children added time for fun, education, and fellowship on Fridays. It works hand-in-hand with our preschool curriculum. Children bring a sack lunch with them on Fridays. Lunch Bunch is over at 3:00.

Cost: \$18.00

When St. John's provides lunch on special occasions, the cost is \$20.00
